Recognition of the sponsorship and inclusion of the logo in the following items:

- ❖ Back cover of the program
- ❖ Conference Website
- ❖ Insertion of Advertising Brochures in the participants registration bags

LOCATION

FACULTY OF CHEMISTRY

AULA MAGNA ANTONIO CASARES

Configuration of the room with 6 modular exhibition stands of 3x2 m.

Possibility of requesting structure, table and 2 (4) chairs, carpet and / or light.

COMMERCIAL EXHIBITION

The commercial exhibition will be located at the 1st floor of the Faculty of Chemistry (just at the outside of the Aula Magna Antonio Casares)

Each stand measures 6 m² (3m wide x 2m deep).

The rent of the space includes the construction of the simple modular stand

(Assembly and disassembly), a table and two chairs.

Assignment of space will be by strict order of contract.

The assembly will take place on 16th June, starting at 4:00 p.m.

The dismantling will take place on June 19th from 5:00 pm to 7:00 pm

OTHER CONSIDERATIONS:

- Each exhibitor must be limited to the assigned space. It is forbidden to damage the installations, not allowing themselves to be painted, drilled, screwed or nailed into the structures.
- You cannot stick posters on any surface of the lobby of the Faculty
- The company undertakes not to place, during the days of the Congress, including assembly and dismantling days, materials in other exhibitors and common areas, which must always be free for the circulation of people.
- The exhibiting company undertakes to remove the objects and materials that remain installed in the stand after having finished the term of time contracted by the Organization of the Congress.
- The company must pay the amount of all the damages caused in the installations due to its installation, both by him and by the people under his orders.
- The company undertakes to have its personnel insured against accidents, as well as the Social Security and other labor and fiscal obligations provided for in current legislation, and any responsibility on the part of the Organization on this matter is declined.
- The exhibiting company will be responsible for the loading and unloading of materials for the Exhibition. Under no circumstances may materials or objects be introduced that block or hinder the exits of the rooms.
- During assembly / disassembly, the exhibiting company commits to the removal of the remaining material

**XIII International School
on Organometallic Chemistry
'Marcial Moreno Mañas'**

June 15-17th, 2022 - Santiago de Compostela

MERCHANDISE

The shipment of goods can be made from Friday June 10, according to the following schedule:
Mornings from 09.00 to 14.00.

Label for Shipment

XIII International School on Organometallic Chemistry "Marcial Moreno Mañas"

No. of Bulks

No. of STAND SENDER

The packages must be sent with the indicated data in a visible place, to the following address:

XIII International School on Organometallic Chemistry "Marcial Moreno Mañas"

FACULTAD DE QUIMICA (USC)

Av. das Ciencias, 15701

Santiago de Compostela, A Coruña
